Terms and Conditions

Declaration and Consent

- I have read and agree to the above Terms and Conditions.
- I understand the fraud risks of this withdrawal, and I am happy to continue.
- I have checked the account details and understand I am responsible for providing correct details.
- I confirm I am making this request myself and I am not being instructed or pressured by a third party.
- I understand that once sent, CHAPS and Faster Payments may be difficult or impossible to recover.
- We have made you aware that a Confirmation of Payee check was carried out on the recipient's bank account and have informed you of the results of the check.

Protect yourself from fraud
 Criminals may pretend to be your bank, the police, HMRC, or a trusted company. They may pressure you to act quickly. If you are being asked to move money to a "safe account", to pay a fee, or to keep the payment secret, stop and contact us.
 We may delay processing where we have reasonable grounds to suspect fraud to help protect you.

Explain to the customer that we need to take some personal information in order to process their request.

Before proceeding with the electronic transfer request, you need to explain to the customer that keeping their money safe and secure is a priority at Beverley Building Society and talk through the questions below with the customer:

Complete a data cleanse to make sure we have up to date records for the customer.

Explain that we may need to contact them to conduct further checks before proceeding with the Electronic Transfer from their branch account to their nominated bank account. The details on the request form must be correct, or we may be unable to complete the request.

Has the customer ticked all of the terms and condition boxes?

Have you checked the signature of the customer?

Has the customer ticked to say they understand the fraud risks for electronic transfers?

Have we performed a COP check on the account details provided? Or have we completed one previously?

Have you added the PAYE memo to the account?

If withdrawing from a Cash ISA does the customer understand the implications on their ISA allowance and that they wont be able to put this money back in?

Have we checked the contact details on file with the customer?

Has a reason for withdrawal been captured?

If multiple Power of Attorney/Court of Protections are the others aware of the withdrawal request?

If above is no what is the reason? _____
